To Whom It May Concern:

Gaston Tree Service was contracted by the City of Kissimmee for the removal/trimming of trees damaged during hurricanes posing danger to our city residents and roadways. During his incumbency with the City of Kissimmee, I found Levin and his company (Gaston Tree Service) to be dependable, quick to respond to our requests, and the work performed to be of a high quality.

I would contract Gaston Tree Services in the future, should the need arise.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Smith", with a long horizontal flourish extending to the right.

Budd Smith  
Streets Superintendent  
Public Works & Engineering  
City of Kissimmee
